SUSTAINABLE DNA

Sustainability is at the heart of our identity and deeply connected to the way we create. We are a fully vertical company that oversees every stage of production. This control allows us to ensure responsible processes, traceability, and a culture of care that respects both craft and nature.

Our facilities are powered by renewable energy sources that support a cleaner and more conscious approach to manufacturing. By generating our own green energy we reduce our environmental footprint and preserve the natural resources that inspire our work.

Sustainability for us is not a trend, it is a continuous promise.

PREMIUM SEAL

Our products are manufactured and detailed with extreme care.

Woven using extra-long loops from the finest yarns, our items are pre-washed and pre-shrunk, providing extra softness and absorbency. All of our towels are finished off with rounded corners and double binding to provide lasting elegance and durability.

CERTIFICATIONS

Our workforce works with extremely high-quality standards, always guaranteeing excellence.

GRAND EGOIST

Bath Range

THE WORLD'S MOST EXCLUSIVE BATH RANGE

Cultivated under the ideal climatic conditions in the British West Indies, Sea Island Cotton is universally recognized as the world's most precious fiber.

Spoerry, a specialist in the production of yarns, and Graccioza, a specialist in the manufacturing of bath textiles, worked together to create this unique bath range. Grand Egoist is as soft as cashmere and as long lasting as wool.

SEA ISLAND COTTON

The Best Fiber. Hand-picked in the Caribbean.

Sea island cotton is the most rare and precious cotton in the world. It produces less than 0.0004 percent of total cotton worldwide. Cultivated exclusively in the British West Indies, it is carefully selected, picked by hand and processed using traditional methods.

SPOERRY

The Best Spinning. Made in Switzerland.

Spoerry offers the world's most luxurious cotton yarns and blends. Sea Island cotton has been the foundation of Spoerry's rare and precious top-quality yarns for over 150 years.

GRACCIOZA

The Best Manufacturer. Made in Portugal.

Graccioza offers high end bath linens, designed to provide the most sumptuous bath experience. With 50 years of experience, our bath linens are the epitome of luxury.

PEARLS RANGE

A harmonious blend of softness

Experience our Pearls collection. This absorbent, textured range embodies the elegance of pearls with the touch of super soft cotton.

By using remnants of manual looms and slowing down the weaving process, we ensure that each fiber is meticulously placed. This enhances the precision and artistry involved in crafting each item and allows us to achieve exquisite detail.
