Donnez à la maison une atmosphère agréable, où les gens se sentent vraiment chez eux.

"Répondre aux exigences de nos clients, en offrant une haute qualité des produits et des solutions innovantes à des prix compétitifs..."

Depuis le début de l'aventure, l'entreprise familiale fondée en 1981, s'est bâtie sur la passion pour notre métier, en apportant des produits compétitifs et de qualité.

Au fil des années, cette philosophie gardée intacte, nous a permis, avec l'aide de nos clients et collaborateurs, de devenir un groupe Européen. Aujourd'hui, ces valeurs nous permettent de nous engager dans nos défis futurs avec sérénité. Comme vous pouvez le constater, notre catalogue propose une gamme très complète et de nombreux produits innovants, créés et développés par nos équipes.

Nos graphistes ont réalisé des designs propres à l'entreprise, ce qui apporte une «touche française» à nos gammes. Nos propres usines en Espagne et en Suisse, nous permettent chaque jour de contrôler et d'améliorer la qualité de nos produits.

Since the beginning of the adventure, the family business founded in 1981, our motivation has always been the passion for the profession and the will to propose products combining competitive pricing and Quality.

Over the years, with the support of our customers and partners, our philosophy has given rise to MSV as a European Group, ready to take on new challenges with the passion of the early days intact. As you can see, our catalogue offers a very complete range of bathroom articles, as well as innovative products, created and developed by our Team.

Our graphic designers have crafted original designs, exclusive to our Company, which add the "French Touch" to our entire range. Our own factories in Spain and Switzerland, enable us to control and improve the quality of our products every day.

This mat offers instant water absorption. The mat dries quickly. Hygienic, it reduces odours and stagnant moisture and limits the proliferation of bacteria. Performance and durability: the porous surface naturally creates a non-slip effect, even when wet. Highly resistant to wear and tear. Easy daily maintenance. Simply wipe with a damp sponge. For deeper cleaning, use clean water without detergent and leave to air dry.

Ce tapis offre une absorption de l'eau instantanément. Le tapis sèche rapidement. Hygiénique, il réduit les odeurs, l'humidité stagnante et limite la prolifération des bactéries. Performance et durabilité : la surface poreuse crée naturellement un effet antidérapant, même mouillée. Grande résistance à l'usure.
Entretien facile quotidien. Il suffit simplement de l'essuyer avec une éponge humide. Pour un nettoyage plus profond, utilisez de l'eau claire, sans détergeant et laissez sécher à l'air libre.

GARANTIE LÉGALE

Protection offerte par la garantie légale minimale de deux ans sur des biens vendus dans l'Union européenne.

Les consommateurs peuvent faire valoir leurs droits au titre de la garantie légale de conformité, par exemple si les biens:

- ne correspondent pas à la description;
- ne fonctionnent pas comme prévu.

Les vendeurs sont responsables de tout défaut de conformité qui existait au moment de la livraison des biens et qui apparaît pendant la période de garantie légale. Les vendeurs se trouvant dans une telle situation sont tenus de proposer:

- une **réparation gratuite** ou un **remplacement gratuit**;
- dans certains cas, une **réduction de prix** ou un **remboursement intégral**.

Dans certains pays, la période de garantie légale est plus longue. Pour les biens d'occasion, une période plus courte peut s'appliquer, mais elle ne peut être inférieure à un an.

Pour en savoir plus sur vos droits dans un pays donné, scannez le code QR ci-dessous ou consultez le vendeur.

europa.eu/youreurope/garanties

Que faire
si vous recevez des biens non conformes:

1. contactez le vendeur dès que possible pour signaler le problème;
2. fournissez une preuve d'achat, telle qu'un reçu, une facture ou un relevé bancaire.

GARAN

Les vendeurs et les producteurs peuvent également offrir des garanties commerciales, qui s'appliquent indépendamment de la garantie légale. Par exemple, il se peut que votre bien affiche ce label GARAN, représentant une **garantie commerciale de durabilité** offerte par le producteur sans frais supplémentaires et s'appliquant à l'ensemble du bien.

GESETZLICHE GEWÄHRLEISTUNG

Mindestens zwei Jahre gesetzliche Gewährleistung der Vertragsmäßigkeit für Waren, die in der Europäischen Union verkauft werden.

Verbraucherinnen und Verbraucher können ihre Rechte im Rahmen des gesetzlichen Gewährleistungsrechts geltend machen, z. B. wenn die Waren

- nicht der Beschreibung entsprechen,
- nicht bestimmungsgemäß funktionieren.

Verkäufer haften für jede Vertragswidrigkeit, die zum Zeitpunkt der Lieferung der Waren bestand und innerhalb des Zeitraums der gesetzlichen Gewährleistung erkennbar wird. Verkäufer müssen in solchen Fällen Folgendes anbieten:

- **kostenlose Nachbesserung** oder **kostenlose Ersatzlieferung**,
- in bestimmten Fällen eine **Preisminderung** oder eine **vollständige Erstattung des Kaufpreises**.

In einigen Ländern gilt ein längerer Zeitraum für die gesetzliche Gewährleistung. Für gebrauchte Waren kann ein kürzerer Zeitraum gelten, jedoch nicht weniger als ein Jahr.

Für weitere Informationen zu Ihren Rechten in einem bestimmten Land scannen Sie den nachstehenden QR-Code oder fragen Sie den Verkäufer.

europa.eu/youreurope/garantien

Was ist zu tun,
wenn Sie vertragswidrige Waren erhalten?

1. Melden Sie dem Verkäufer das Problem so bald wie möglich.
2. Legen Sie einen Kaufnachweis vor, z. B. die Quittung, Rechnung oder einen Kontoauszug.

GARAN

Verkäufer und Hersteller können auch gewerbliche Garantien gewähren, die unabhängig von der gesetzlichen Gewährleistung gelten. Diese GARAN-Kennzeichnung zeigt beispielsweise, dass der Hersteller eine **gewerbliche Haltbarkeitsgarantie** ohne zusätzliche Kosten gewährt, die die gesamte Ware abdeckt.

GARANTÍA LEGAL

Garantía legal mínima de dos años para los bienes vendidos en la Unión Europea.

Los consumidores pueden hacer valer los derechos que les otorga la garantía legal de conformidad, por ejemplo, si los bienes:

- no coinciden con la descripción;
- no funcionan según lo previsto.

Los vendedores son responsables de cualquier falta de conformidad que existiera en el momento de la entrega de los bienes y que se ponga de manifiesto dentro del periodo de garantía legal. Los vendedores que se encuentren en tal situación están obligados a ofrecer:

- la **reparación** o **sustitución gratuitas**;
- en algunos casos, una **reducción del precio** o un **reembolso total**.

Algunos países tienen un periodo de garantía legal más largo. En el caso de los bienes de segunda mano, dicho periodo puede ser más corto, pero nunca inferior a un año.

Para obtener más información sobre sus derechos en un país específico, escanee el código QR que figura a continuación o consulte al vendedor.

europa.eu/youreurope/garantias

Qué hacer
si recibe bienes no conformes:

1. Póngase en contacto con el vendedor lo antes posible para notificar el problema.
2. Aporte pruebas de la compra, como un recibo, una factura o un extracto bancario.

GARAN

Los vendedores y los productores también pueden ofrecer garantías comerciales, que se aplican independientemente de la garantía legal. Por ejemplo, la etiqueta GARAN representa una **garantía comercial de durabilidad** ofrecida por el productor sin coste adicional y que cubre la totalidad del bien.

GARANZIA LEGALE

Garanzia legale minima di due anni per i beni venduti nell'Unione europea.

I consumatori possono far valere i loro diritti nell'ambito della garanzia legale di conformità, ad esempio se i beni:

- non corrispondono alla descrizione;
- non funzionano come previsto.

I venditori sono responsabili di qualsiasi difetto di conformità esistente al momento della consegna dei beni e che si manifesta entro il periodo della garanzia legale. In tal caso i venditori sono tenuti a offrire:

- la **riparazione** o **sostituzione gratuita**;
- in alcuni casi, una **riduzione del prezzo** o il **rimborso integrale**.

Alcuni paesi prevedono un periodo di garanzia legale più lungo. Per i beni di seconda mano può valere un periodo più breve, ma non inferiore a un anno.

Per saperne di più sui propri diritti in un determinato paese, scansionare il codice QR qui sotto o chiedere informazioni al venditore.

europa.eu/youreurope/garanzie

Cosa fare
se si ricevono beni non conformi:

1. contattare quanto prima il venditore per segnalare il problema;
2. fornire la prova dell'acquisto, ad esempio una ricevuta, una fattura o un estratto conto bancario.

GARAN

I venditori e i produttori possono anche offrire garanzie commerciali, che si applicano indipendentemente dalla garanzia legale. Ad esempio, questa etichetta GARAN rappresenta una **garanzia commerciale di durabilità** offerta dal produttore senza costi aggiuntivi, che copre il bene nel suo complesso.
